GET TO KNOW ESPAÑA, S.A.

- ✓ We are a leading Spanish insurer specialized in life and pension products
- ✓ Helping individuals and families plan for their future
- ✓ Providing financial protection and long-term security
- ✓ Our teams work in a professional, multicultural environment to support these operations

DEPARTMENTS YOU MAY JOIN

- ✓ As an intern, you will have the opportunity to contribute to one of several key areas of our business. Each department plays a vital role in delivering value to our clients and ensuring the long-term stability of our products.

POSSIBLE INTERNSHIP DEPARTMENTS

- ❑ **NEW POLICY ISSUANCE:** Support the creation and activation of new life and pension insurance contracts, ensuring accuracy and excellent service from day one.
- ❑ **REAL ESTATE MANAGEMENT:** Collaborate on the oversight of our property portfolio, learning how real-asset investments support guaranteed-capital products.
- ❑ **POLICY CANCELLATIONS:** Help manage contract closes with transparency and efficiency, maintaining smooth operations and a strong customer experience.
- ❑ **CLIENT MANAGEMENT:** Work closely with our clients and advisors, helping provide guidance, support, and long-term trust.

YOUR ROLE AS AN INTERN

- ✓ Your responsibilities will focus on administrative and operational support, working closely with our teams and gaining hands-on experience in how the company functions day to day.

KEY TASKS AND RESPONSIBILITIES

- ☐ **UPDATING INTERNAL DATABASES:** Ensuring information is accurate, organized, and up to date
- ☐ **PROCESSING INVOICES AND RECEIPTS:** Supporting our financial workflows and helping maintain smooth operations
- ☐ **DIGITIZING DOCUMENTS:** Contributing to our digital transformation efforts and improving accessibility of information
- ☐ **ASSISTING WITH DEPARTMENT-SPECIFIC ACTIVITIES:** Taking part in tasks unique to the team you join, allowing you to learn the inner workings of that area

WHAT YOU'LL GET FROM THIS INTERNSHIP

- ✓ During your time with us, you will receive training and develop key professional skills that will support your future career.

TRAINING YOU WILL RECEIVE:

- ❑ **BLOOMBERG INTRODUCTORY TRAINING:** Learn how to navigate one of the world's leading financial information platforms
- ❑ **FOUNDATIONAL KNOWLEDGE OF FINANCIAL MARKETS:** Understand how markets operate and why they matter to insurers and investors
- ❑ **HANDS-ON PRACTICE WITH BLOOMBERG TERMINALS:** Work directly with real-time market data and analytical tools
- ❑ **EXPERIENCE SUPPORTING SENIOR MANAGEMENT REPORTS:** Help update financial dashboards using accurate information from Bloomberg

SKILLS YOU WILL DEVELOP

- ❑ **ATTENTION TO DETAIL:** Work accurately with data, documentation, and internal processes
- ❑ **DOCUMENT AND PROCESS MANAGEMENT:** Learn how organized workflows support a regulated industry like insurance
- ❑ **UNDERSTANDING FINANCIAL REPORTING:** See how companies track performance and make strategic decisions
- ❑ **COMMUNICATION AND TEAMWORK:** Collaborate with professionals across departments and functions
- ❑ **EXPOSURE TO SPANISH CORPORATE CULTURE:** Gain first-hand experience in how a financial institution operates in Spain.

YOUR INTERNSHIP ESSENTIALS

FINANCIAL SUPPORT

- ☐ Each intern receives a €500 monthly allowance to help cover living expenses during their stay in Spain.
- ☐ This support is intended to assist with **transport, meals, and daily costs**.
- ☐ Accommodation and additional facilities are **not included**.

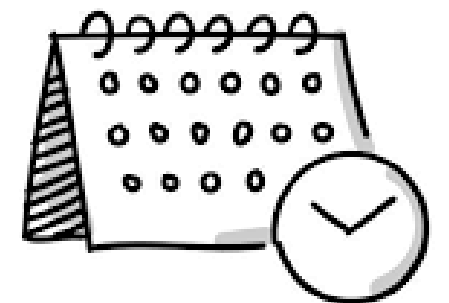

REQUIREMENTS

- ☐ Participation is limited to **3 students with a valid Romanian passport or identity card** due to current legal regulations.
- ☐ All required documentation must be coordinated between **the university and the company**.

DURATION

- ☐ The internship may last a **maximum of 89 days**, as established by legal restrictions.
- ☐ Your university will help define the exact start and end dates to ensure compliance.

WORK ENVIRONMENT & EXPERIENCE IN SPAIN

- ✓ You will be based in our Madrid office, right in the heart of one of Europe's most vibrant and culturally rich cities. Beyond the internship itself, this is a chance to grow both professionally and personally.

WHAT YOU CAN EXPECT:

- ❑ **DEDICATED SUPERVISION:** A supportive supervisor will guide you through your daily tasks and help you develop confidence in your role.
 - ❑ **A FRIENDLY, PROFESSIONAL TEAM:** You'll work alongside colleagues who are ready to assist, mentor, and integrate you into the workflow.
 - ❑ **A CLEAR, STRUCTURED WORK ENVIRONMENT:** Learn how corporate processes operate in a regulated financial institution, gaining skills that apply across industries.
 - ❑ **IMMERSION IN SPANISH WORK CULTURE:** Experience firsthand how business is conducted in Spain while adapting to a new professional environment.
- ✓ Many past interns have shared that beyond the valuable work experience, they loved their time in Madrid, exploring the city, discovering the culture, and meeting new people who made their stay unforgettable.

WHY THIS INTERNSHIP MATTERS

YOU WILL GAIN

- ❑ **AUTHENTIC CORPORATE EXPERIENCE ABROAD:** A powerful addition to your CV that sets you apart from other candidates
- ❑ **EXPOSURE TO FINANCIAL TOOLS AND REPORTING** including hands-on Bloomberg training, a skill highly valued in the industry
- ❑ **INSIGHT INTO INSURANCE OPERATIONS:** Understand how a regulated financial institution works behind the scenes
- ❑ **OPPORTUNITIES FOR PERSONAL AND PROFESSIONAL GROWTH:** Build confidence, adaptability, and workplace skills that stay with you
- ❑ **A MEMORABLE INTERNATIONAL EXPERIENCE:** Living in Spain and working with a multicultural team leaves a lasting impact
