# Experiences Shared by Job Trust Alumni

**Adriana Romania | Employee Mykonos 5\***

This was a remarkably uncommon experience for me, challenging, empowering, unforgettable in many ways. I was lucky enough to be given this opportunity, to learn a completely new job, to push my limits, to discover myself by meeting so many people and tourists from all over the world, with so different cultures and still understanding that humanity and hospitality is what breaks down the boundaries between countries.

**Liliana Greece | Intern in Halkidiki**

This summer ended for me with a very beautiful experience. Thanks to the Job Trust program, I had unforgettable moments that I lived in the peninsula of Halkidiki, Greece
