

Internship Opportunities for Students in Greek Startups

Under the auspices of:

HELLENIC REPUBLIC
MINISTRY OF EDUCATION,
RELIGIOUS AFFAIRS AND SPORTS

**STARTUP
GREECE**

Our Organization's Commitment to Diversity, Equity and Inclusivity

Inclusive Values and Alignment with the Sustainable Development Goals (SDGs)

At SG, we have cultivated a culture that **champions diversity and inclusion**. Our policies and practices prioritize creating an environment where individuals from varied backgrounds can contribute their unique perspectives and talents.

We anchor our actions in alignment with the **United Nations Sustainable Development Goals (SDGs)**.

International Partnerships

We are actively striving to establish partnerships with educational institutions and organizations around the world. By forging these collaborations, we aim to host students from different countries, providing them with enriching experiences and contributing to the diversity of perspectives within our organization.

Our Internship Program throughout the Years

Youth People from/in Greece for traineeship

Our internship program cultivates **cooperation** among multicultural teams by giving young people the opportunity to work in a **diverse, inclusive** and **innovative** environment. These young people are vital for our mission as they amplify our **global impact**.

In 2021, we have started cooperating with EU partners sending Greek people in Erasmus+ Training projects around EU.

By 2024, 45+ students from **35 different countries** have participated in our Internship Program.

Testimonials from Alumni

"The internship was a worthwhile experience and I feel that it has prepared me well for my professional career. The most rewarding aspect of my stay was getting to learn about the startup ecosystem from the people who know it best. It was such an amazing adventure to be a part of the European Startup Universe team!"

Lukasz Paszke from Poland,
Social Media Manager Intern

Months spent in your organization were full of challenges, met new, interesting people, greatly improved public speaking and presentation skills. The friendly, warm welcome team, ready to help and answer any questions 24/7. I believe that the confidence I have gained in will be useful in my future career.

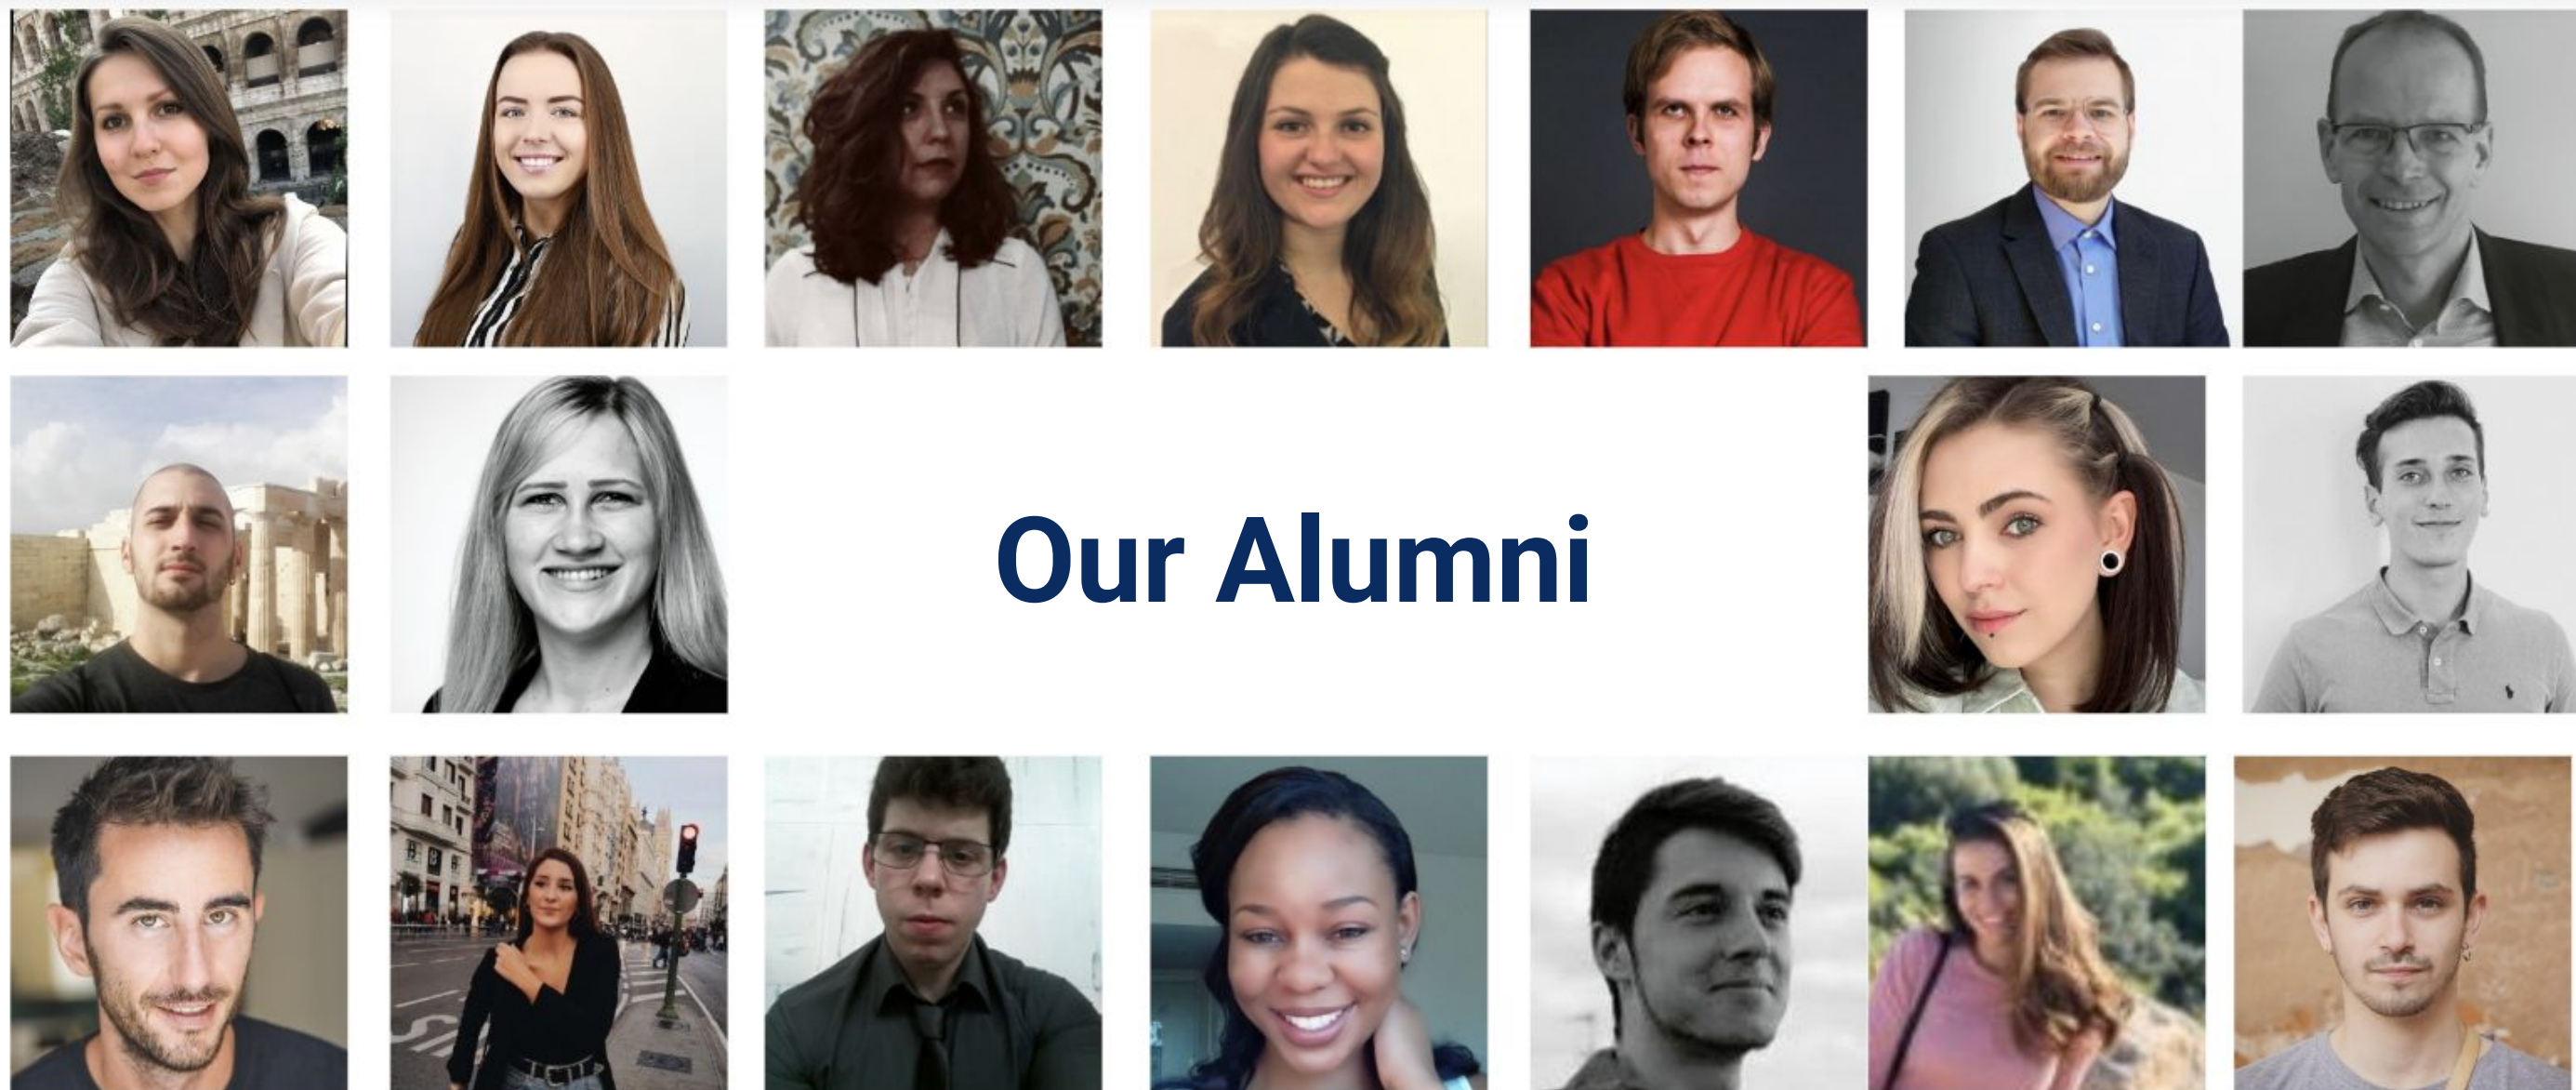

Evelina Gruodytė from Poland,
EU Project Manager Intern

"My 6-month experience was unique, fresh, valuable, constructive and enlightening. The team was very helpful and accepting and during my internship, I gained priceless and lifelong skills that will help me develop and grow in my future working career. It was undoubtedly a life-changing experience that will be etched in my memory."

Dimitra Dimitrakopoulou from Greece,
Digital Marketing Intern

Joined an international team, with a challenge in front of us and an ethic mission, it was a great experience!

Andrea Napolitano from Italy,
Innovation Manager Intern

Our Alumni

About the Internship

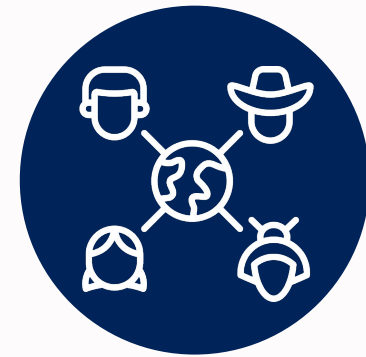

This internship program offers a structured 3 to 12 month internship, in our organization or an affiliated greek startup company of our network.

Tailored to equip participants with technical proficiency, business expertise, and cross-cultural competencies, our program provides a great opportunity for students to excel in the dynamic world of global entrepreneurship, fostering innovation, collaboration, and professional development.

Objectives

Facilitate cross-cultural learning

Provide students with immersive experiences in a multicultural environment

Equip students with the technical, business, and soft skills

Ensure interns gain hands-on experience and practical skills relevant to their academic backgrounds

Encourage Entrepreneurial Collaboration

Explore opportunities for students to collaborate with Greek startups on innovative projects

Build a Sustainable Network

Foster long-term relationships between the students, Greek startups, and partner universities
